## Alignment to Gateway's Mission

Gateway focuses on three areas: People, Projects, and Purpose. Gateway is looking to support organizations that align with investing in people, internally and externally, providing quality projects/programs that positively impact the region, and have purpose, a defined reason or "Why" behind the drivers of the areas of work.

### People:

People are at the heart and center of everything we do.

**How does your organization care for what we believe is its most valuable asset, people?** (required)

**What is your organization doing to empower and engage your staff/employees?** (required)

## **Projects/Programs:**

As a Project-Focused Organization (PFO) everyone and everything in the company is focused on creating client value through project execution. We apply our proven systems, tools, and processes to everything we do, whether a complex client need or planning an employee event.

**How is your organization aligning your staff/volunteers to the programs/projects based on your mission?** (required)

**What evaluation are you currently doing to assess the impact/effectiveness of your programs/projects?** (required)

## **Purpose:**

We do not strive to be the biggest. We strive, every day, to be the best in all we do. We are continually improving as people, as professionals, and as an organization. At Gateway, all we expect you to do is grow.

**How will this grant contribute to your continued growth and development as an organization?** (required)

**How do you invest in developing your employees and/or volunteers?** (required)
